Please inform us of any missing scores or other errors.

The number of series awards are based on the number of riders in each class who complete four races prior to the Series Championship

Points Scored = Points Possible x Laps Completed ÷ Winner Laps

A rider's top six scoring races will count toward their point total.

Additional races will earn three bonus points.

*The October Championship will count as two races for any series racers who complete four other races.

The score from the Championship race can therefore replace up to two lower scores of a racer's six scoring races.

The October race will count as one race for series racers who complete four or fewer other races.

Volunteer points: average of scoring races in exchange for 6 hours work approved by a race director at their race.
